Notes for Table C1:

- * These data do not reflect adjustments made in the allocation of SCH for budget purposes and are collected at Census.
- * These data are organized by their scheduling header (subject and number) and are sum of class taught on and off campus.
- * If a course is cross-listed, the SCH will be reflected under the header in which the student registered.
- * Sections totals are rounded to nearest whole number, based on calculation of SCH fractions for each term.
