- (1) Starting in Fall 1999, students who were immigrants, refugees, or non-citizens or nationals of the U.S. but who had applied for U.S. citizenship as of the autumn semester census date, were included in their respective ethnic category; prior to Fall 1999 those same students were included in the "ethnicity or citizenship unknown" category.
- (2) Numbers reflect methodology used prior to Fall 1999, where students who were immigrants, refugees, or non-citizens or nationals of the U.S. but who had applied for U.S. citizenship as of the autumn semester census date, were included in the "ethnicity or citizenship unknown" category.
- (3) Totals reflect total of on-campus and off-campus headcounts, however ethnicity of off-campus students is unavailable for 1970-1995; ethnicity breakdowns shown for on-campus students only for 1994-1984 and prior.
- (4) This grouping contained Asians, Native Hawaiian and Pacific Islanders for Academic Years 1970-1971 through 2008-2009. For Academic Year 2009-2010 the Native Hawaiian and Pacific Islander became a new ethnicity grouping, and were separated from the prior Asian, Native Hawaiian and Pacific Islander groupings.
