(1) Starting in Fall 1999, students who were immigrants, refugees, or non-citizens or nationals of the U.S. but who had applied for U.S. citizenship as of the autumn semester census date, were included in their respective ethnic category; prior to Fall 1999 those same students were included in the "Ethnicity or Citizenship Unknown" category.
(2) Numbers reflect methodology used prior to Fall 1999, where students who were immigrants, refugees, or non-citizens or nationals of the U.S. but who had applied for U.S. citizenship as of the autumn semester census date, were included in the "ethnicity or citizenship unknown" category.
(3) Totals reflect total of on-campus and off-campus headcounts, however ethnicity of off-campus students is unavailable for 1970-1995; ethnicity breakdowns shown for on-campus students only for 1994-1984 and prior.
(4) Table A3 has been split into two tables: TABLE A3a details the enrollment of the Minority Ethnicities, TABLE A3b carries the Total Ethnic Minority component to the remaining 4 ethnic categories.
(5) The "Non-Hispanic, 2 or More Ethnicities" collection began at the University of Utah Fall 2009, in response to new IPEDS collection mandate.
