### This and That:

- ✓ The University of Arizona awarded nearly 7,000 Bachelor's degrees between July 1, 2016 and June 30, 2017.
- ✓ Arizona, along with Arizona State and Colorado, are the three Pac-12 teams that have previously been in the same athletic conference as the University of Utah. Arizona and Arizona State were in the Western Athletic Conference with Utah until 1978 when they departed to join what became the Pac-10.

### Did you know that.....

- ❑ Former UA President **Ann Weaver Hart** earned a Bachelor's, Master's, and Ph.D. from the University of Utah. Prior to being President at Arizona, she was the President of the University of New Hampshire and Temple University.
- ❑ In the founding days of the school, a local saloonkeeper and two gamblers donated a total of 40 acres of land to help the school get off the ground.
- ❑ The first building on campus, Old Main, held classes for the first time in 1891. It is still in use today.
- ❑ Four NASA Astronauts have graduated from the University of Arizona; **Joseph Acaba, Andreas Michalitisianos, Don Pettit, and Richard Scobee**. Scobee was one of the astronauts who died when the *Challenger* exploded.
- ❑ **Brian Schmidt**, a double major in Physics and Astronomy, was awarded the Nobel Prize in Physics in 2011.
